Fashion Revue 2012

The **State 4-H Fashion Revue** committee announces categories and service projects for **2012!** Entry categories returning from 2011 will be Traditional, Consumer Science Purchased (with \$100 limit), and Wearable Art-Embellished. The Recycled category will not be offered at State Fashion Revue for 2012; counties may choose to include it at local events only. The \$15 Challenge was so popular in 2011, it will become the \$19.99 Challenge for 2012. It has the same rules (shoes and sales tax don't count, receipts required) but the limit is increased to \$19.99 to allow more creativity. We are adding a second challenge, called the Bag Up Fashion Challenge. Sew a tote bag from Simplicity #7161, view A only, and model it with a garment or garments that coordinate with the tote bag. SFR will be coordinating two service projects. The Quilts for Wounded Warriors is returning because the American Legion needs more quilts. Statewide, 4-H created sixty quilts in 2011 and we look forward to even more in 2012. Our second service activity is the Million Pillowcase Project, for handmade or decorated pillowcases. If you, your project, or your county would like more information about SFR, these categories and service projects, or would like to join our committee, please visit our website at <http://www.ca4h.org/Programs/Events/SFR/>

Come Join the Revolution of Responsibility!

2013 marks the centennial for 4-H in California and the 4-H YDP will celebrate by giving back to their communities with youth-designed, youth-led projects where participants learn leadership by actually leading, collaboration by forming relationships with other groups and agencies, and citizenship skills by actively seeking opportunities to make a difference in their communities. The Revolution of Responsibility will celebrate the power of youth taking action and will consolidate all the various funding programs that are provided by the State 4-H Office. Chartered 4-H clubs/units can apply for funding (up to \$1,000) to support service-learning projects related to either club or project activities. An on-line application is available at: <http://ucanr.org/join/>. The first deadline for applications is **October 15, 2011** with additional due dates of January 15 and April 15, 2012. Online Record Book

<http://www.ca4h.org/4hbook/>
The California 4-H Youth Development Program has a long history of record keeping. The focus reflects the importance of this life skill in our daily lives. In 4-H, young people have tracked their activities, events, profits and losses, skill development, learning experiences, and much more using the iconic 4-H Record Book. In addition to

record keeping, the 4-H Record Book gives members an opportunity to reflect on their year, measure their achievements and growth, and set goals and develop plans to meet those goals. The 4-H Record Book has undergone transformations over the years to ensure that it meets the needs of our 4-H members. Beginning in September, the new 4-H Online Record Book will be unveiled. This newest transformation will re-engage young people through a new, fun interactive format that offers social networking opportunities for 4-H members and adult volunteers within clubs.
