## County Presentation Day

The Siskiyou County Presentation Day will be on March 5, 2022. The event will be held at the Gazelle Grange. Entry registration is required to be completed online at <https://forms.gle/QpwWHSbxKaZCioYa6>

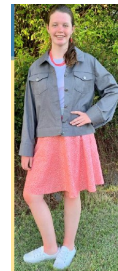

Entry Deadline is February 25, 2022. Additional information about presentation categories is provided in this newsletter. All members including primaries are encouraged to attend and/or enter presentation day. Please contact the 4-H Office if you have any questions.

Presentation day check in begins at 9am. Presentations begin at 9:30am.

## County Fashion Revue

Attention all 4-H members, you are all eligible to enter the Siskiyou County Fashion Revue. Enrollment in the Clothing & Textiles/Sewing project is required for Traditional and Box Challenge only. The other 3 categories are open to any 4-H member. Some categories still require you to sew an outfit but others only require that you know how to be frugal shopper. Please visit [https://ucanr.edu/sites/sfd/Competitions/State\\_Fashion\\_Revue/](https://ucanr.edu/sites/sfd/Competitions/State_Fashion_Revue/) to see category rules.

County Fashion Revue is scheduled for Sunday, April 24th in the afternoon. Location and times to be determined. Entry information will be available in the next month.

## 4-H Record Book/Forms

Record book forms can be found on the state 4-H website. Forms are available as google docs or as word format. All record book forms can be downloaded and saved to your computer to be completed throughout the year. Remember record books are due annually to your club leaders in September. If you are selling an animal at the fair your minimum requirement is to complete the annual project reports. To find the forms go to: [http://4h.ucanr.edu/Resources/Member\\_Resources/RecordBook/](http://4h.ucanr.edu/Resources/Member_Resources/RecordBook/)

## YQCA Training

Youth for the Quality Care of Animals is a required training for all youth exhibitors entering animals in a fair. (Rabbits, Poultry, Turkeys, Beef Cattle, Dairy Cattle, Meat Goats, Dairy Goats, Sheep, and Swine)

Please complete the online training as soon as possible.

<https://yqca.learnrow.io/Account/Login>

Cost \$12

The online training is taken at home by each exhibitor at your convenience. Remember that fairs require the completion of the training prior to your entry into the fair. Training is good for one year from the date completed. Make sure you print and keep a copy of the completed certificate.

## 4-H Scholarship

The Siskiyou County 4-H Leader's Council is offering three educational scholarships for members who will be graduating during the current school year from a public, private or home school in Siskiyou County. Applicants must be a current Siskiyou County 4-H member with at least 3 years in the program and must have plans to continue their education either at a college or vocational/trade school. Application deadline is **April 1st**. Contact the 4-H office if you need a scholarship application.

## Siskiyou Forever 4-H Endowment

Siskiyou County was given an opportunity to earn a \$10,000 match if we could raise \$10,000 to establish a Siskiyou Forever 4-H Endowment. I would like to thank all of the clubs and individuals who helped us reach our goal. Siskiyou County now has an established Endowment.

## This November...

On Thursday November 11th, four of Grenada 4-h club members helped out the Lions club place flags all around participating businesses in Yreka for Veterans Day. It only costs 25\$ for a year for this service provided by the Lions Club, they do this on holidays and special occasions. Sadly, fewer businesses are participating due to lack of knowledge of the Lions club. They also don't have very many volunteers to help. This wasn't the only thing that Grenada 4-h helped with. They also did a canned food drive for the family's in need in their community. Most people brought canned food into our latest meeting and donated it to the local church. The church then created baskets and gave them to family's in need. 4-h members also helped church put together baskets on Monday, November 22nd.

# 4-H Presentation Basics

2021-2022

## Presentation Types:

- Demonstration
- Illustrated Talk
- Science or Engineering Presentation
- Educational Display/Talk
- Informative Prepared Speech
- Persuasive Prepared Speech
- Impromptu Speech
- Interpretive Reading
- Cultural Arts
- Share the 4-H Fun Skits

## Presentation competitions:

- County: March 5 2022
- Regional: April 23, 2022
- State: May TBD

## What is a presentation

A presentation is a method used to communicate an idea or topic by showing, telling, or expressing your opinion. A presentation may be a demonstration, a talk, a speech, a reading or a skit.

### A 4-H Presentation helps you learn to:

- Research a subject
- Organize ideas in a logical order
- Share your spark or your passion
- Practice public speaking skills

### Where to Get Started:

You can get ideas for presentations from many different sources. The first place to start is with your projects or developing a presentation around your spark. Your project leader, parents, and other adults also can be a source of ideas. Sources for presentation ideas are project manuals, books, magazines, websites, and brochures from various organizations.

### Presentation Type and Style:

Presentations are not just

demonstrations. You have many options ranging from traditional demonstrations for beginning members to persuasive speeches for more experienced members. All of the various presentation styles require similar skills, and are designed to meet the interests, and age-appropriate levels of the member. No style of presentation is better than any other. Choose the style that best fits you for your presentation and then try other styles as you advance in 4-H.

## Where are presentations given?

Presentations can be given to many audiences. You may choose to give a presentation to your project or club. You may also present to another organization. 4-H also includes op-

portunities to present at county, sectional and state events with evaluation being provided as to the member's presentation skills. Evaluation is used to help members expand skills for planning,

preparing and presenting in the future, as well as helping members increase self-esteem, self confidence and gain the ability to accept feedback as a tool for improvement.

The 4-H Presentation Manual has a full listing of presentation basics and can easily answer your questions.

Page 15 of the manual has a quick matrix that will answer these questions:

- Can I give a team presentation?
- How many posters or slides do I need?
- Can I use visual aids?
- How long does the presentation need to be?
- Will I be asked questions?
- Can I use note cards?
- Do I need to use references or sources of my material?

# Presentation Types

## Demonstration

- Is doing.
- Is showing how. As you show how, you tell how.
- Is where you make something or do something. There is a final product.

## Educational Display Talk

An educational display talk is an organized visual presentation of a program or concept. A display should be designed to convey a message in a limited amount of time.

## Persuasive Prepared Speech

The purpose of a persuasive prepared speech is to sway, convince, and influence, not simply to argue.

## Informative Prepared Speech

This format requires the speaker to write and deliver their own speech. The speaker will inform or educate the audience on a single issue or topic.

## Illustrated Talk

- Is telling.
- Is telling how with the aid of visuals.
- Is where you use charts, posters, photos, computer programs, slides, pictures, models, or cut outs.

## Interpretive Reading

Speakers may read any published written work that is age appropriate and acceptable for use in a public school classroom. The speaker provides their own introduction of the title, author, characters, the purpose or setting of the writing and more.

## Impromptu Speech

Impromptu speaking involves speeches that the speaker has developed themselves at the Presentation event within three-minutes of preparation. Speakers draw topics and the speech is developed to be presented immediately.

Pre announced categories are provided each year: <https://ucanr.edu/sites/sfd/>

## Science/Engineering Presentation

A science presentation emphasizes the core process of inquiry to describe, explain, and predict through observation, experimentation, modeling and other scientific techniques. Science methods may rely on qualitative data (descriptions or quantitative data (numbers), or both.

## Share the Fun Skit

Groups perform acts as skits and other presentations that focus on health, safety, community pride, citizenship, science, engineering, or technology, or other 4-H projects. The topic must include a topic surrounding 4-H.

## Cultural Arts

Individual participants or groups, projects and clubs, perform a customized dramatic reading, musical, dance or other performing arts ac-
