Siskiyou Golden Fair	3
Siskiyou Golden Fair-Exhibited Project	2
State Leadership Conference	3
Clean Pen-Educational Display-Herdsmanship	
Siskiyou Golden Fair Top Awards	7
Golden Clover Award Winner	7

WHY Conference

Each of the four sections of California has an annual teen conference. These conferences have fun recreation and social activities to allow 4-H members to network with those outside their region, while also engaging in many learning opportunities and workshops

on topics such as leadership, public speaking, citizenship, and more. Registration for the North Section teen conference is due September 3rd. Junior and Teen leaders are encouraged to attend. Contact the 4-H Office immediately for registration information.

Global Education Event-Mount Shasta

Tulelake-Butte Valley Fair Update

As fair is fast approaching, I wanted to provide you with a few fyi's for this year's fair in hopes that we can all be better prepared for last minute problems that always seem to arise during fairtime!

1. Add-On's: The rotary will only be accepting add-ons for the animals sold thru the auction until Monday, September 13 at 12 noon. After that, no add-ons or any type of bonus money will be added to the auction checks.
2. Bedding: The fair will provide the first bedding of shavings for the swine/sheep barn. The fair will not provide any further wood shavings after the first bedding is supplied. The fair will provide chips for the beef barns. This year we will have two loads rather than just one load and thus there will be some extra chips left over. The spare wood chips will be stored alongside the north end of the Sr. Beef Barn. All exhibitors may use the chips for extra bedding throughout the week. However, after the extra wood chips are gone, the fair will not have any further bedding to provide the exhibitors. ***Please inform the exhibitors that they might want to purchase some wood shavings for their pens prior to fair in order to maintain a clean environment for their animal.***
3. Beef Tie-Outs: Beef Exhibitors may use the side of the show ring for tying their animals to, BUT they will be responsible for cleaning up 100% of the manure, left over hay, feed pans, etc. that is in the location of their animal. The clean-up must be done prior to the shows on Friday, Saturday and Sunday's Grease pig contest. The RED TAG POLICY will be in full effect.
4. There will not be any food allowed in the barn areas. Please see and inform your members the attached information regarding transmission of pathogens in livestock barns.

Please feel free to call or email if you have any questions with the above. Looking forward to seeing you all at this year's fair!

Thanks, David S. Dillabo-Chief Executive Officer

Leaders Council Meeting

There will be a Leaders' Council Meeting on **Tuesday, September 14th at 7:00 p.m.** All clubs should plan to attend and bring their end of the year forms. An overview of policies will be provided. The annual calendar of 4-H events will be discussed.

Hi-4-H Meeting

Are you a 4-H member that is in the 8th grade or high school? Do you want an opportunity to participate in fun activities with youth your own age? Hi-4-H could be just what you're looking for. The first meeting of the Hi-4-H program will be held on September 13th at 5:30pm at the 4-H Office. Officer elections will be held and annual events will be scheduled. We hope to see you at the meeting.

National 4-H Week, October 3rd -9th

This is a great chance for your club to recruit new members and inform the public about 4-H opportunities. Be creative; the opportunities are limitless. Create window displays for local businesses, hang posters at your schools, have members create radio public service announcements, or visit classrooms for individual presentations. Provide the National 4-H Science Experiment for local youth programs or for schools. Don't forget to have signs showing locations, times and contact information for 4-H meetings in your area. Each club must show that they have an open enrollment for everyone in the community. Please use this opportunity to reach out to all youth in your area.

State Fashion Revue 2011

The 2011 Challenge Contest is to assemble a complete outfit for \$15 or less. Shoes are

not included in the \$15. 2011 SFR will be held on May 28, 2011 at UC Davis as part of State Field Day. The theme is **Fashion ¢ents**.

There is one major change for the Consumer Science - Purchased category. Instead of the \$150 limit in past years, the limit for 2011 will be \$100. The categories of Traditional, Recycled, and Wearable Art-Embellished are the same as in previous years. The rules for Recycled have been re-written so that it is clear that the original materials must be a garment(s) and the finished product must be a different garment(s). Alterations such as shortening a prom dress into a shorter dress do not qualify for the recycled category.

The SFR committee will be posting complete details about 2011 SFR to the state 4-H website ... I'll let you know when it is up. The committee will be meeting Sunday, September 12 at 11 am at the UCCE San Joaquin office in Stockton. If anyone from your county would like to be part of this state event committee, please have them contact Karli Draxler, SFR Youth Chair, at chat2kd@unwiredbb.com.

CA State 4-H Fashion Revue 2011

Make Fashion ¢ents

with the \$15.00 Challenge

Do you enjoy shopping? Do you look for great buys? Do you like to check out garage sales, thrift stores, or consignment shops? Have you ever brought your own 'special touch' to an outfit that makes it unique and individually YOU?

The \$15.00 Challenge encourages you to:

- Shop in new places with a new perspective
- Be a wise consumer
- Put together a really great outfit

What you will learn:

- To locate clothing that makes you look and feel great
- To use expert shopping skills
- To find a bargain with high value
- To develop decision making skills
- To interact with the judges and share your windfalls and experiences in 30 seconds
- To communicate with the audience with your fashion show commentary

The rules:

- The spending limit is \$15.00 for a complete outfit. This may include a jacket or vest and should give a coordinated total look.
- Shoes are not included in the \$15.00 but anything else that shows is, including jewelry and accessories.
- Receipts are required, although they can be handwritten from garage sales.
- Sources may include garage sales, consignment stores, thrift stores, Goodwill, Salvation Army, etc.
- 4-Hers must qualify for the state event (SFR) by being the county challenge winner in their county Fashion Revue.
- Complete information about State Fashion Revue and entry procedures is available at the CA 4-H website for SFR, <http://www.ca4h.org/Programs/Events/SFR/>

Something to think about:

Enterprising 4-H Clubs may want to have their own garage sale. You can raise money for your club or another worthy organization. You might donate the unsold garments to a homeless shelter, dress for success center, or other locations that help people. Service to others is an important part of 4-H.

National 4-H Science

Experiment

The third annual 4-H National Youth Science Day will be held nationally on

Wednesday, October 6, 2010. The 2010 National Science Experiment, 4-H2O, will focus on water quality and climate change. Using a three-tiered experiment model, the experiment engages youth of all ages to learn at the simplest level how carbon dioxide can affect aquatic animals, plants and other living organisms in lakes, streams, rivers and oceans. Kits are available for order at the National 4-H Supply.

Sheep Field Day at UC, Davis

The Animal Science Department at UC Davis is hosting a field day for sheep producers large and small, young and old. Several important topics will be covered including nutrition, grazing management, sheep and crop integration, animal health assessments, marketing and tail docking. There will also be tours available for youth and families who want to know more about the UC Davis campus and facilities. Barbecue lamb and other lip-smackin' delights will be served for lunch, included with registration. A special tour will be available for youths interested in the UC Davis Animal Science program. Come with a big appetite for good food and good information.

\$15 Pre-registration before September 10, \$25 after. Student registration is free only with pre-registration.

Registration information is available at the 4-H office. For more information contact Valerie Ozella (530) 752-1250, vmozella@ucdavis.edu

Siskiyou Golden Fair

Congratulations to all of the clubs and members for their great work in keeping the barns clean and providing educational displays for fair patrons.

Goat-Grenada 4-H

Beef- Gazelle 4-H

Horse-Gazelle 4-H

Dairy-Big Springs 4-H

Herdsmanship Award: Big Springs 4-H Club

State Leaders Forum

The **2010 State 4-H Leaders' Forum** will be held **November 5-7, 2010** at the **Asilomar Conference Center!** The State 4-H Leaders Forum provides a weekend retreat for 4-H volunteers across California to gather for networking, education, relaxation, and fun. Volunteers of all ages, experiences, and locations share this opportunity to further their volunteering "career," find new inspirations, and bring new ideas home to their counties and clubs. Workshops are offered on a variety of topics including curricula for 4-H projects, becoming a successful adult 4-H volunteer, statewide 4-H programs, and tools for your clubs and counties. The tentative workshop list is available at <http://www.ca4h.org/Programs/Conferences/SLF/>

Details:

- Date: Check-In at 3:00pm on Friday, November 5 through 12noon on Sunday, November 7, 2010.
- Location: Asilomar Conference Center in Pacific Grove, CA
- Registration: \$45
- Housing & Meals: \$264.12 (double) or \$204.40 (triple/quad)
- Deadline: September 1
- More information is available at <http://www.ca4h.org/Programs/Conferences/SLF/>

4-H Office/Farm Advisor/UCCE Cooperative Extension

However, you refer to our office we along with many other county offices have been affected by the many budget cuts. With a reduction in County funds we were unable to maintain our office staffing levels. We now face reduced office hours. The Office will be open from 1pm-5pm only. We regret the inconvenience this may cause. If you have a need to reach the 4-H office outside of our open hours please contact Jacki Zediker at 598-9034.
